Mayo Price Guide - Digital Asset Packages

We weren't kidding when we told you we do it all! If you don't need a website but need some help with your current site - we got you!

Branding package

From \$1,900

Brand Workshop Session: Strategy is at the core of our work. We'll sit with you to discuss your brand before beginning.

Logo Concepts & Refinements:

We will pull together our ideas for your logo and branding. You will receive 2 initial logo concepts for you to choose from and up to 3 revisions to make sure you are happy with the final result

Logo Variations: You will receive 2 variations for your logo to be used when your main logo is not suitable.

- Final logo files in multiple formats:
- Scalable, vector files: Y
- You will receive PDF for your finalised logo concept
- High resolution .JPG logo for printing purpose
- Screen resolution .JPG for screen purpose
- High resolution .PNG for transparent background

Mini Brand Guideline: logo and branding guideline to take the guesswork out of applying your colours, imagery and fonts consistently across all your promotional materials.
